# Synthetic Turf

*Synthetic Grass is a practical and beautiful turf alternative year round, and is virtually maintenance free.*

Hicks Instant Turf has a complete range, in store, including our signature grass 'Bonita'. Designed to look and feel like the real thing, Bonita is ideal for residential and commercial landscapes that require a soft, lush, green lawn.

Bonita Grass is soft underfoot yet hard-wearing, making it perfect for high traffic areas. CSIRO tested for retention of colour and tensile strength to ensure maximum durability and it carries a 7 year manufacturers warranty.
